Judy Bradley AGS #2688

35 years. Wow!

This issue of *Heritage Seekers* is packed with how we celebrated.

Our February program was of course our anniversary celebration along with the annual meeting. Our evening program was a "pub quiz" created by Fran Moore, our branch historian. This was a quiz made up of trivia questions about our branch. For those who were unable to be at our annual meeting,

there is a copy of the quiz that we were given, with the answers following. I hope you can have some fun with it.

Many pictures were taken that weekend – at our library on Saturday, at Family Day with the archives on Monday, and at our annual meeting and dinner on Tuesday.

Al Bromling gives us a book review that will of particular interest to those researching their German family in our area. Lorraine Dreger Yackulic's *Step Back in Time! Volume I Northern Alberta* is the first book of a trilogy.

The winner of our Margaret Kay Memorial Scholarship was announced at our annual meeting, and you will find out more about our winner in these pages of *Heritage Seekers*.

Enjoy!

Margaret Kay Memorial Scholarship

This scholarship may be given annually to a fellow Canadian hobby genealogist. You may solve your brick wall by taking a course and learning where to look for your answer! GP AGS wants to help a deserving researcher. Please consult our website for application and further information.

Memorial Notice

Al Richards, our well respected friend, passed away December 18, 2012.

Al was instrumental to us gaining permission to put cemetery photos on our website. Although it was a labour of love to Al, we appreciate the many hours of work he put into this endeavor. He will be missed.

Our sincere condolences go to Gwen and family.
