

AGS Member Login — Instructions

Step 1: In the upper right corner of any AGS webpage, click **LOGIN**. A new page will appear leading to Step 2.

Step 2: Enter your **USERNAME & PASSWORD**. If you are a new member, both username & password will be the same. It's your email associated with your AGS Membership. If you are an existing member, we suggest trying the above instructions, resetting your email, or emailing [e-Help](#) or the AGS Office to assist you with passwords, profile changes and more. See directions below.

The screenshot shows the login page of the Alberta Genealogical Society website. The 'Log Back In' link is circled in red. A red callout bubble with a white background and black text points to the 'Log Back In' link, containing the text: 'The LOGIN is for current AGS Members. AGS highly recommends changing your password in your PROFILE after logging-in for security reasons. Our new software program maintains the changes.' Below the callout bubble is a yellow box with the text: 'Example: Username: fredflintstone@bedrock.com Password: fredflintstone@bedrock.com'. The login form includes fields for 'Username:' and 'Password:', a 'Submit' button, and a link for 'Forgot Your Password?'.
