Mr. Lucien Cloutier
Manager of Legislative Services
City of Wetaskiwin

Dear Mr. Cloutier,

We appreciate your offer to receive supporting material prior to the delegation of myself and Alice Hoyle speaking to City Council on June 25 on behalf of the Wetaskiwin Branch of Alberta Genealogical Society.

Accordingly we enclose letters that we have received from individuals and associations in support of our advocacy that the Archives be retained and preserved. Please forward them to the Mayor and Council members, as well as Mr. Burgess and yourself.

Alice and I also include a short outline of our presentations.

We look forward to meeting with you on June 25.

Thank you for your assistance.
