

Life Membership Nomination Content

Leroy is a vital member of our branch. He is our branch Treasurer; he is our membership chairperson; he keeps our webpage on the AGS website current and attractive. In addition to all this, he is one of the volunteer researchers at our branch. When he takes on a research project for someone who has contacted our branch, he goes all out, trying to find every bit of data. The results of his research can be found in several articles in *Relatively Speaking*. Leroy contributes his knowledge and research skills to community organizations helping them preserve their records. Our branch owes him a debt of gratitude.

Nominated by: Alice Hoyle, President, Wetaskiwin Branch
Date of submission: Dec. 17, 2024
