

STRAWBERRY TEA

The Strawberry Tea at the Wetaskiwin Senior Activity Centre is an annual affair. Community organizations and businesses are invited to set up display tables to showcase their services. A Wetaskiwin Branch member displayed collectible artifacts in order to promote the Collectibles Sale that the branch has organized for April 19 & 20, 2024 at the Wetaskiwin & District Heritage Museum. The proceeds of this sale will be

donated to the museum as well as the Wetaskiwin Archives.

A Depression Glass cake plate draw was sponsored during the tea. The draw will take place at the Collectibles Sale on April 19. Depression Glass was made in the period 1929-1939. It was often clear or coloured translucent glassware distributed free or at low cost at the time of the "Great Depression". The pieces were used as giveaways to persuade customers to purchase goods. Pink glass is the most valuable.
